Report on Industrial Visit

Date of Visit: [16/05/2025]

Organized by: HIMT College of Pharmacy, Greater Noida

Guided by: Dr. Anuj Mittal ,(Director of pharmacy)

Coordinators: Mr. Rajendra Prasad and Ms. Pinky Baghel

Purpose of the Visit: The industrial visit to Yakult Pvt. Ltd., Sonipat, was organized with the objective of providing students a comprehensive understanding of the manufacturing, quality assurance, and packaging processes involved in the production of probiotic drinks. The visit aimed to bridge the gap between academic learning and industrial practices.

Overview: Under the leadership of Dr. Anuj Mittal, the visit was conducted smoothly with the coordination efforts of Mr. Rajendra Prasad and Ms. Pinky Baghel. The students embarked on the visit via bus, ensuring a well-managed and organized trip.

At Yakult Pvt. Ltd., the students were received by the company officials, who initiated the session with a briefing on the company's background, mission, and production principles. The guided tour provided students with valuable exposure to the various stages of manufacturing, from raw material inspection to the bottling and packaging of probiotic drinks.

The students were educated on the stringent adherence to Good Manufacturing Practices (GMP), quality control protocols, and safety measures implemented at every production stage. The session concluded with an interactive Q&A session, where students gained insights into the application of microbiology and pharmacotherapeutics in the industrial setting.

Impact and Learning Outcome: The visit proved to be a highly impactful learning experience, enabling students to observe and understand the real-world application of their academic knowledge. The exposure to Yakult's manufacturing processes provided practical insights into the operational aspects of the pharmaceutical and nutraceutical industries.
